Old Saint Francis

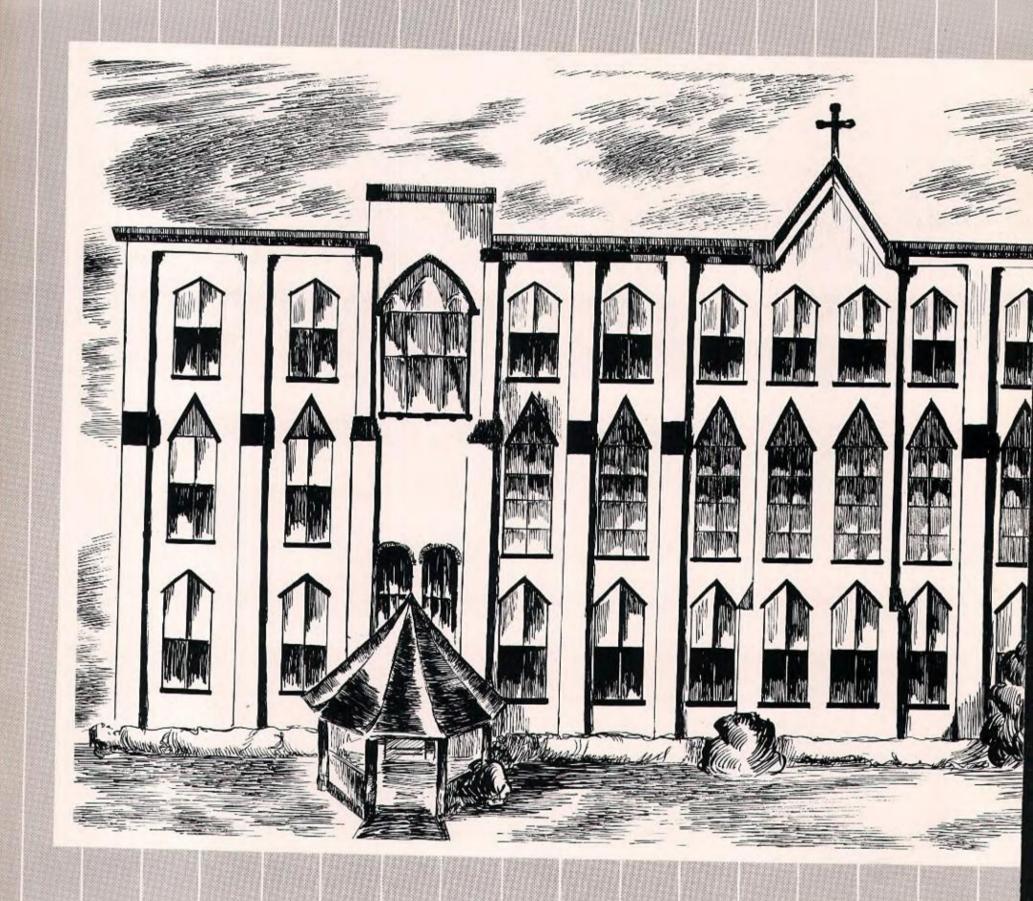

YES, and this is the picture-story of a small school and of a young man. The school is in the heart of Brooklyn and may well be called **the** heart of Brooklyn; the young man is any one of the eight hundred that are enrolled yearly. How he learned and laughed, prayed and played through four years of Catholic schooling, is the story that threads these pages. But it's his story . . . of his school . . .

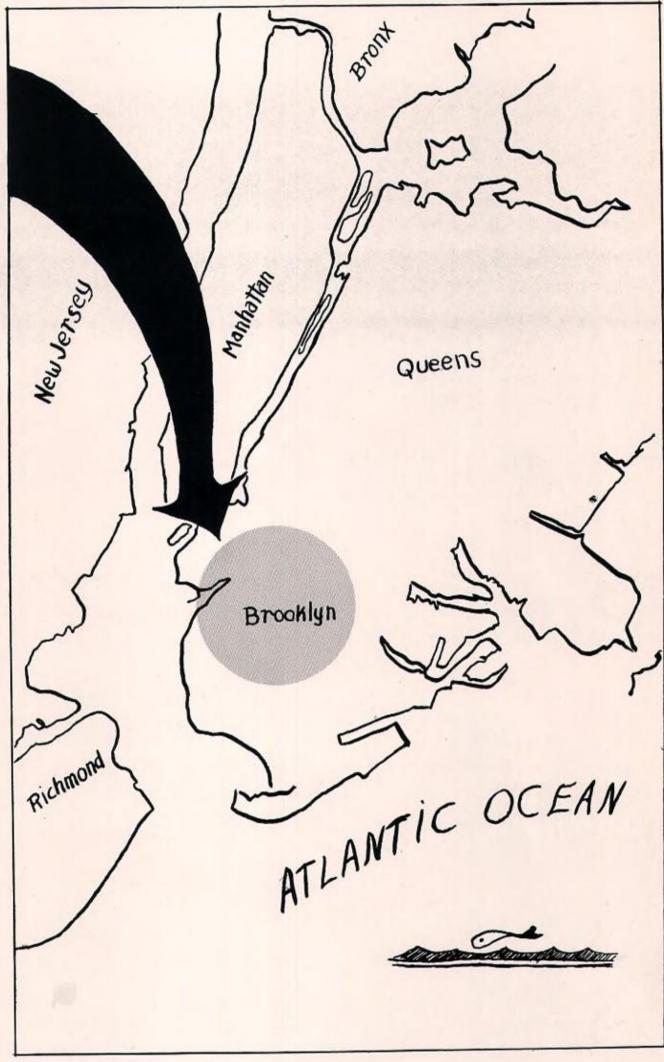

. . and this is his school

CLUB LATIN-CLUB - SCIENCE HUNIAN THIPD Clubs ALTHOUGH education is of the prime importance in life, it must be supplemented with interests that develop individual personality and social awareness in order to meet with the Franciscan standards. At the Prep this is achieved through the

many and diversified extracurricular activities that are sponsored by competent instructors. Every phase of student interest is repre-

sented by clubs, organizations, and societies, which include the Sciences, Mathematics, Drama, Journalism, Languages, and Religion.

The Seraph Staff

THOSE that can be truly labeled as the "Unsung Heroes" of our school are the members of the "Seraph." Secretly searching the archives of the school, keeping their eyes and ears open, they report and write up all the news. The staff has worked conscientiously reporting everything from Football to Intramurals, from jokes to big scoops. The new members under the supervision and guidance of the Executive Board have shown promise. The Feature Staff has worked hard amusing the students by the various quips of writing. News hot off the gridiron, cage, and diamond was brilliantly exploited by the Sports Staff with pictures worthy of Professional praise.

Brother Jarlath and "Murph" examine latest issue for flaws.

The Military Band

WILLIAM J. GILROY Band Master

THE Military Band of St. Francis Prep has, within a few short years, made itself a vital part of the Prep's life and tradition. The huge success achieved by the Band is the direct result of Mr. William Gilroy's talented direction, as he has been the Band Master since its institution here at the Prep.

Besides stimulating a greater school spirit at our Basketball and Football games, the band has participated in various civic and religious programs both here and in New Jersey. Francis J. Gilroy, Flag Bearer John L. Staufenberg, Banner Bearer James J. Radigan, William P. Holland.

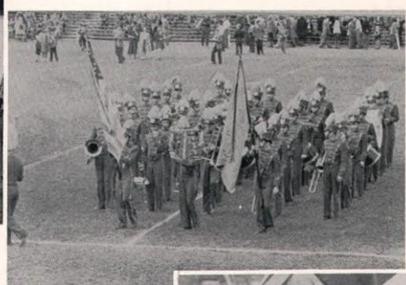

Brother Mark, O.S.F., Brother Benignus, O.S.F., and Drum Major Donald Murphy confer with St. John's musicians.

REV. BROTHER EDWARD Assistant Moderator of Music

Mrs. Marie J. MacDonald, Director of Music, conducting practice.

THE Prep's Glee Club this year, is the largest since the introduction of this activity in October 1944. The smooth functioning of the club is attributed to the skill and zeal of Mrs. Marie V. MacDonald, Rev. Brother Benignus, O.S.F., and Rev. Brother Edward, O.S.F. The members of the group practiced on Friday evenings. Soloists naturally spent more time than the group as a whole in preparing for the Graduation Exercises and Annual Concert.

The increased number of members and their untiring efforts has enabled the Glee Club to undertake more difficult work and as a result it has become one of the best High School Glee Clubs in the city.

.. The Harmonious Equation

THIS year marked the Fifth Annual Concert of the St. Francis Preparatory Orchestra held at the Brooklyn Academy of Music. It again attributes its success to the outstanding direction of Mrs. Marie V. MacDonald, Musical Director; Rev. Brother Mark, O.S.F., Assistant Director; Rev. Brother Benignus, O.S.F., Moderator.

The members of the orchestra practiced tirelessly and worked hard to attain the results which they achieved. The Orchestra performed this year at the Diocesan Principals' Meeting and in January they gave a concert for the Priests and Religious of the Brooklyn Diocese.

Mr. Esposito, Music Instructor, takes the podium in a practice session.

THE four G. O. officers are the medium through which the student body expresses its desires and opinions concerning proposed plans, regulations and rules. They are also the means of notifying the school authorities of the students dissatisfaction over prevailing conditions.

These men are chosen and elected once a year by the students. The actual voting takes place only after weeks of intensive speeches and campaign stunts. Any student can become a candidate for election if they conform to the true Franciscan type of youth.

HOTEL STATLER • JANUARY 5th, 1949

THE ANNUAL Senior Dinner-Dance was held at the Keystone Room of the Hotel Statler on January 5th, 1949. Per usual the Dance was most successful and was a memorable event in the high school careers of the graduates. The Seniors felt proud of the efficient manner in which this affair was handled by their class representatives.

Realizing that schooldays, partifcularly those of a St. Francis
Prepster, are the best years of one's life, an eler and zealous staff,
under the guidance of Mr. Roger Egan, has worked long and hard to make the '49 Yearbook, the best ever.

To John Peterman goes the credit for the "front of the book section" of this Yearbook. Harry Sheehan with the assistance of the book devoted senior activities and that highly honorable section of the book devoted to the faculty.

The Sports Section was covered in its every detail by two of the Prep's foremost sports authorities, Luke Hester and his side kick Dick Nolan.

The Club Section with the various writeups as well as the artistic drawings are the Wwork of Ed. Quigley. To Bill Kearns and Jack Murphy also goes credit for club writeups. These two gents, however, will be also goes credit for club writeups. Truly they banged away at old man better known for their typing abilities. Truly they banged away at old man underwood till he talked back to them.

The task of laying out the pages of this Yearbook was handled for the most part by "Little" Joe DiTucci. Assisting Joe in this long and tiresome work were Bill Kearns and Luke Hester.

Mr. Roger Egan and John Peterman prepare a monthly schedule while Harry Sheehan digs up new probler

As Harry gives Luke Hester a few sports statistics, Joe Ditucci and Larry Kinane choose shots for the "Book". "Lizzie" (sur la mur) is not a staff member.

Photographers Dick Nolan and Anthony Schiano compare pixs for page 71.

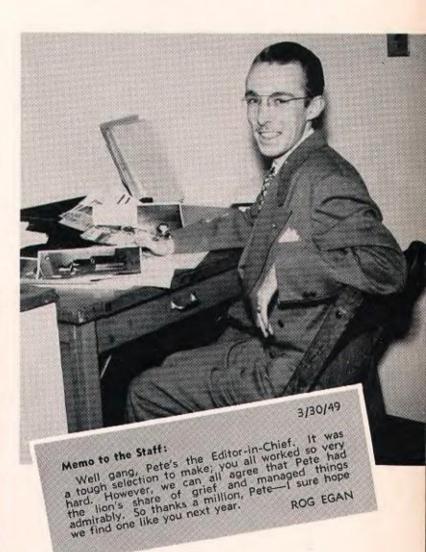

To typist Jack Murphy, "Club Reporter" Ed Quigley reveals the source of his so-called genius.

These three pictures are of three members of the Prep Camera Club who have been a great help to the San Fran. They, along with Brother Anthelm, O.S.F., have been so busy helping us that they had no time for a Camera Club formal-shot. To our left we have Bill Bellman who has taken many an emergency picture. Below Bill, Anthony Schiano appears in the act of unloading a developing tank. And directly below us is Larry Kinane enlarging a "shot" for this very page! very page!

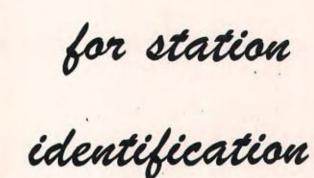

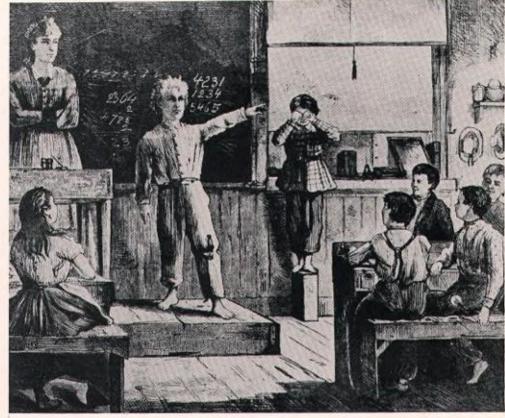

Gil, Bill, Joe, Jack, and Larry celebrate a closing session in the "Book's" progress.

The job isn't all play. It is loaded with various "extras", such as photography.

"The Young Orator."

YES, let's take a little time for a recap on what has passed before you in these pages and "peek" into those that follow. Too often do we race through life seeing only the forest and not the trees. Well, perhaps we're doing the same right now and perhaps a few identifications have slipped by us and not drawn their due credit. Thumb back if you wish or just remember the next time you read through these pages . . .

that Brother Bernard is not only our Principal but a really kind, understanding and just plain swell person,

that Brother Roger doubles as Assistant Principal and Athletic Director,

that Brother Louis is the swimming team moderator as well as the Bowling coach and moderator of the Science Club,

that Jack Butler captained the Football team while Norm Diviney did the same job in Hockey; Pete Fitzpatrick captained Basketball and Dick Nolan and Bob Koehler were at the helm of the Swimming team,

that Tom Booras is a great fellow and swimming coach,

that Ed Tellier probably reminds you of "Choo Choo" Wilson or "what's-his-name", your high school Football coach,

that Ralph Gentile really made that violin sing for the orchestra concerts,

that Mrs. MacDonald was the "Grand Dame" of Music at Saint Francis,

that Brother Mark was a good violinist besides being assistant music director,

that Joe Pandolfi kept the office force humming and made report cards in technicolor,

that Zeke Zawoluk set some scoring records that will probably stand for a long time,

that Mr. Gilroy's private instructions made many a fine musician for both the school band and the orchestra,

that "Chick" Keegan took a squad badly crippled with graduation and guided them into a borough playoff,

that Messrs. Ellinghaus, Towers and Booras were the men behind the Boat Ride, Yearbook-Business and ran the book store besides their teaching chores,

that we haven't yet mentioned them all but the "dramatis personae" may stand out as we know them and as you would like to.

Now, let's turn the pages and continue our picture story of a small school and a boy.

The Math Club

THOSE Prepsters who lean toward the mathematical side of education have formed a club under the faculty guidance of Mr. Roger Morrissey. The members discuss the different methods of solving quadratic equations, cube roots, and trigonometrical functions. Basic college math, solutions, techniques, and problems are studied and employed at the meetings. One of the most interesting aspects of the club's work is the study and use of the slide rule.

The Poster Club

THIS year saw the inauguration of a new club. The Poster Club was formed under the direction of Mr. George T. Brennen for the purpose of learning the Art of making posters. The Prepsters know how well these boys have done in their efforts, for it was through this group that current events and important happenings were kept before the Student Body's notice. To them also goes a great part of the credit for keeping Franciscan spirit alive by their catchy action posters during the football season.

The Radio Workshop

THE Radio Workshop begun at St. Francis this year is a new form of Dramatic Society which uses neither costume nor grease paint. It is the purpose of the Workshop to turn out speakers who will be able to satisfy the two important needs of an audience—the need of pleasant sound and an understanding without effort. The Workshop prepares plays for presentation under the guidance of Mr. Peter Errick, its founder. Mr. Errick has constructed his own amplifying systems to help produce better sound results.

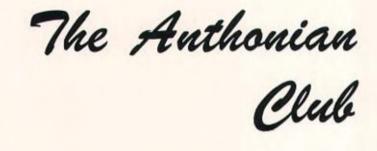

Brother Linus shows Catholic Action Film to Anthonians.

TO aid those young Prepsters, who feel they have vocations to enter the priesthood or brotherhood, is the aim of the Anthonian Club. In order that its purpose might be successfully carried out, the Club, under the direction of Reverend Brother Linus, O.S.F., embraces several types of activities.

Among the works of the Club are: Prayer (Eact afternoon at 12:15 the Anthonians meet in the chapel and recite vocational prayers); Literature (The members prepare their own Club paper titled "The Text" and circulate it throughout the Prep in order that vocational thought might be stimulated); Trips (The members travel to various seminaries and juniorates during the year); Lectures (Talks are given by priests and Brothers of several orders that the Anthonians might be better acquainted with the many congregations, societies and orders of priests and Brothers); Movies (Education films are shown to the members with vocational subjects as the theme); Debates, Discussions, and above all Thought.

Each Anthonian is asked to Pray, Read, and Think about his vocation that in the future he might Act wisely in his vocational choice.

The Anthonian Club meets each Monday afternoon at 2:45 P. M.

The Third Order

FOR the past ten years, the Third Order of St. Francis Preparatory has been recognized as one of the largest High School Third Order Groups in existence.

The members of this organization strive to imitate St. Francis of Assisi by regulating their lives in such a manner that they are mindful of their duties to God even though they do not leave the world and enter a monastery. They are members of a group founded over seven hundred years ago by the Poor man of Assisi, and their lives are regulated by a simple rule written then.

The Prep's Society is under the direction of Rev. Father Marcellus, O.F.M. Cap., Rev. Brother Bernard, O.S.F., is the moderator, and Rev. Brother Benignus, O.S.F., is the assistant moderator.

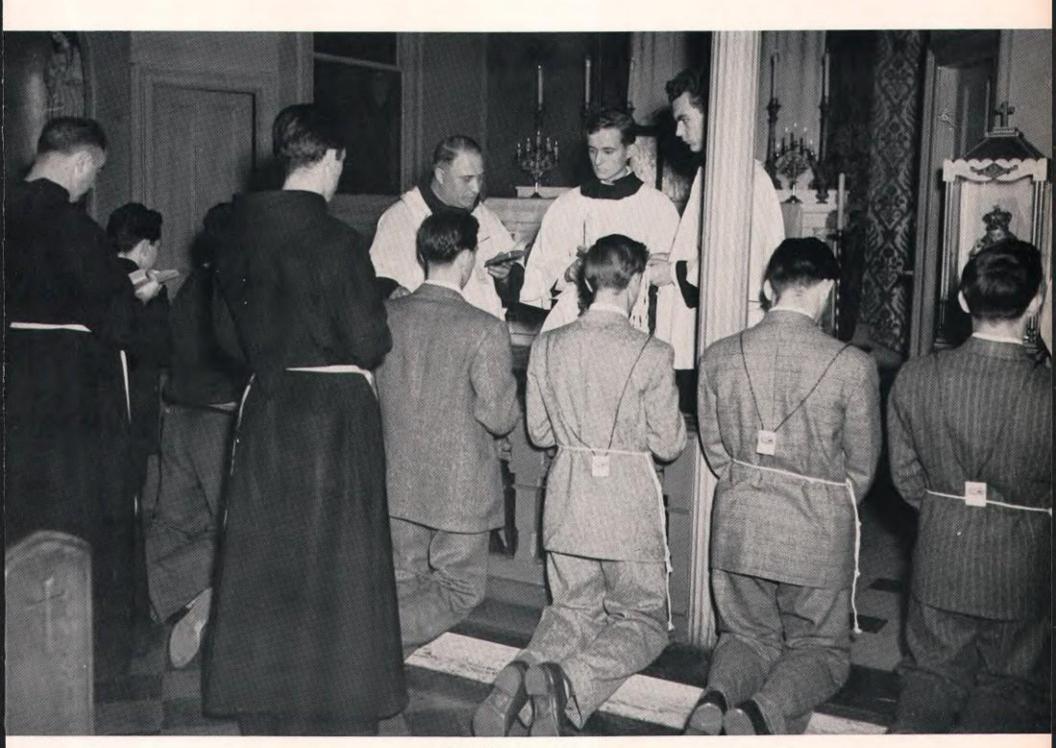

The officers for 1948-1949 were Charles Gliozzo, Prefect; Francis Smith, Novice Master; Ralph Gentile, Secretary, and Stephen McCarthy, Treasurer.

The Raffle

NDER the supervision of Messrs. Booras, Ellinghaus, and Towers a raffle to defray the expenses of the yearbook was held on Dec. 17, 1948. A television receiving set was offered as first prize. Forty-four other awards supplemented the list.

The television set was won by G. Ostreicher of 395 East 16th Street, Brooklyn. G. O. President Frank Dunn drew the stub for the first prize as senior student representative of the school. The forty-four remaining prizes were awarded in consecutive order as the individual stubs were picked. The latter were picked by the remaining G. O. officers, class presidents and team captains.

Aeronautical Club

THE aeronautical club, under the direction of Mr. George T. Brennen, acquaints its members with various phases and possibilities in the growing field of Aviation. The members learn about the structure, design and handling of modern aircraft. Students who participate in this activity learn of aeronautical engineering and jet propulsion.

The French Club

THE aim of the French Club, under the capable leadership of Mr. Bruno Valenti and Mr. Joseph Raziano, is to bring the culture of the French people closer to the members.

They have at their disposal a phonograph and an eight millimeter motion-picture projector. During the year the members listened to the Paris Opera Com-pany's renditions of "Faust" and "Carmen," and viewed some pictures of agricultural France.

Latin Club

DEVOUT Latin scholars of the Prep meet once a week under the capable direction of Rev. Brother Basil, O.S.F. The purpose of the club is to get better acquainted with the Latin language and customs. Many little known facts are brought to light. The differences between Church and Cultural Latin are discussed. Schoolwork is helped due to care given to these assignments by acquainting the students with hazy or little-used constructions. It is a great milestone in the cultural achievements of the Prep.

THE Galvani Society is the Prep Science Club conducted by Rev. Brother Louis, O.S.F. Its aim is the preparation of its members to participate in the annual science talent show conducted by the Westinghouse Electric Company.

Among the various projects completed this year, the members raised earth worms for the purpose of studying their bodily construction and functions of their organs.

Membership in this club is determined only after the interested person has shown his interest by taking a special course and is tested on the knowledge he is supposed to have gained. The quality of the member is stressed for this society does not particularly strive for quantity.

7errier Gridders

Coaches Ed Tellier and John Bohdiewicz look it over from behind the helmet line.

NOT since the return of the gridiron sport after the war did St. Francis enjoy such a great season as that of the past year. The Terrier gridders, ably coached by Ed Tellier and his assistant, John Bohdiewicz, displayed great play while exemplifying at all times that neversay-die Franciscan spirit.

The football season itself which was inaugurated with the Brooklyn Prep game would not have been successful without the hard work and strife on the part of the coaches, the Prep gridders and their captains, Jack Butler

and Jack Capper.

The Brooklyn Prep game (sweetest game of them all) was not only a victory and an upset but a delightful curtain-raiser; a delight to have broken BP's undefeated streak. Dick Witt's two TD's climaxing his plunging drives at half back position and Charlie Austin's chucking proved superb plus the touchdowns made by Jack Foge and Charlie O'Neill and Dick Kenny's two conversions.

With the revival of the gridiron wars with St. John's Prep, the Red and Blue went down to defeat 21-0. This game was the first football fracas between the two teams in a decade.

Getting up off their backs after the defeat by St. John's, the Terriers rolled on to Far Rockaway where they took on the Sea Horses and showed the way throughout. Scoring in the first and last period, Jack Butler and Dick Kenny with two touchdowns and two conversions, respectively, the Red and Blue were outstanding especially in their line play.

Travelling to Randall's Island, the Franciscans found they could do nothing right against

the opposition of Cardinal Hayes.

However, the Terrier football squad never quit and they proved this again when they racked up a 38-0 victory over St. Basil's Prep of Connecticut.

Front Row: Managers: Michael J. Kenny, John J. Dunleavy, Richard M. Skroly, Thomas J. O'Dea. Second Row: Dr. John J. Mollica, Team Physician, Mr. John Bohdiewicz, Assistant Coach; Charles V. Austin, Francis J. Dunn, A. Frederick Mayo, John J. Butler, Joseph A. Repice, James J. Hastings, Richard J. Witt, John A. Doyle, Mr. Edward J. Tellier, Coach. Third Row: Charles J. O'Neill,

Having maintained a win one, lose one streak for the past four games, the Prep football squad decided to junk this jinx and did so by racking up another victory for the Red and Blue at New Dorp High of Staten Island. The score, 31-6.

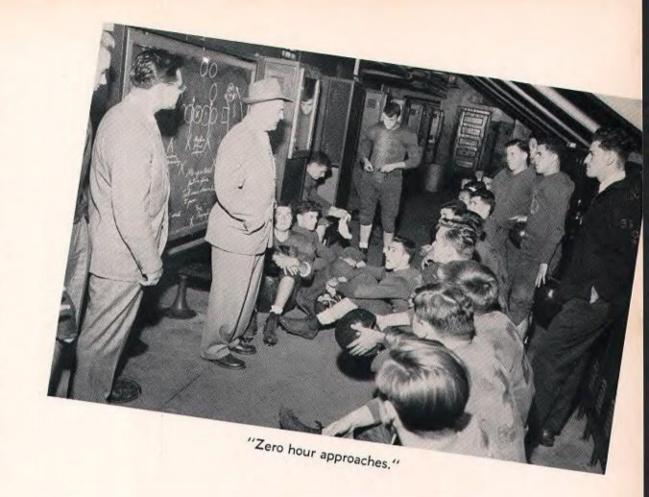

With many injured players out of uniform for the annual Armistice Day game with John Adams, Ed Tellier's forces found it rough going throughout the game, so much so that the battle was not decided until the fourth quarter. St. Francis drew blood in the first quarter, Adams pushed one over in the second, adding a conversion, to lead at the halftime, 7-6.

The Prep came back strong and determined in the third quarter to score two more goals, making the score, 18-7. One of these touchdowns was the outstanding ninety yard run by Frank Dunn, interference being masterfully performed by Jack Capper and Dick Raaf. Early in the fourth quarter, Adams scored on a pass play to make it, 18-13. The fifth touchdown for the Red and Blue forces was all they needed to rack up their decisive victory, third in a row and fifth of the season.

The Flyers of Chaminade High will never be forgotten for their certainly unexpected performance at Boys' High Field in the grand finale of the 1948 season. The Mineola gridders, using an effective "T" system with mousetraps, scored in every period but the second.

St. Francis Prep was proud of the football squad of 1948 and every hope is that next season their contemporaries will continue to play good ball, never a dirty game but always a rough one. If they possess the same Franciscan Spirit that this year's squad did, they can't miss.

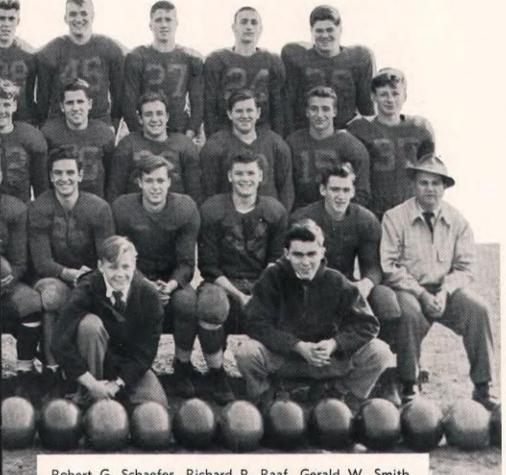

Jack Butler, four star general of the Terrier forces, was also high scorer with 30 points to

FOR the second successive time St. Francis Prep, entered the Catholic High Schools Bowling League. The team comprised almost entirely of Juniors is under the guidance of Brother Louis, O.S.F. Brother Louis came up with a cracker-jack team which shot up from last place in '48 to third place this year.

The new bowlers which were added to the team this year were found last Spring during the intramurals. The best of the crop were chosen and these turned out to be a first division team. A poor start early in the season hindered the Terriers but a winning streak of five games in a row gace the team the booast that was needed.

In the Catholic High School Bowling League tournament founded by Brother Augustine, O.S.F., and of which Brother Louis, O.S.F., is now President, the Terrier Keglers placed third, losing matches only to the first and second place teams. James Barrett whose 253 score is the "league high", together with John Battel were considered the most consistent scorers. Captain John Lynch and Bob Romandetto rounded out the squad with Joe Figliozzi. Dan Kelly, the promising freshman, is slated to help Brother Louis fill one of the gaps caused by graduation.

For next year, the present team with all the experience gathered this year looks like championship material. With a little practice, their potential worth will show and a new trophy will be placed in the show case.

Jim Barrett, who bowled the high game (253) of the season, receives his medals from Brother Louis, one for the highest game bowled in the league and the other medal for becoming a member of the American Bowling Congress "250 CLUB".

Basketball

THE Franciscan basketeers finished the 1948-49 season in a tie for first place in the Brooklyn CHSAA (ten wins, two losses), losing the playoff game to St. Michael's Diocesan High School, 55-53.

The highlights of the season were the nine straight victories the Prep cagers accumulated under their new coach, "Chick" Keegan, who inaugurated his coaching duties at the Prep with an impressive 65-61 victory over the Frosh squad of St. Francis College. This season also marked the first basketball jaunt the Prep has ventured in many a year. Lacking their two great offensive demons, Zawoluk and Makatura, the Prep lost to West Catholic High in Convention Hall, Philadelphia on December 30th and suffered defeat again when the Boston College Freshmen won out, 48-37, in the Boston Garden ten days later.

A forecast of the only two defeats the Terriers would suffer in league competition came when Bishop Loughlin made the Terriers go into overtime to win out by a narrow two point margin, made possible by Bob Makatura's one-handed heave from half court in the final seconds of regulation play. Zawoluk scored 27 points against the Lions and duplicated his ability when he scored 26 points against St. Michael's to seven for his rival center, Bob Kiely. The St. Michael's game was one of the most impressive victories Coach Keegan mentored during the season and also saw Zawoluk and Co. ("Zeke", Charley Farley, Pete Fitzpatrick and Makatura) close out their great scholastic basketball careers with a 47-39 victory over the top opposition of the league.

The play of the "new" Terrier five (Moran, McFadden, Doyle, Tacconi and McCormack) culminated when they battled with their arch-rivals, St. John's Prep, in the second half of the season. With the score 34-19 at the half, "Chick" Keegan masterfully coached the Prep players in the second half of the game till they were but a point away from the Redmen with seconds to go and then pulled his unforgettable trick-play—McCormack was pulled out

of his defensive spot and placed under his own basket while St. John's still had possession of the ball at half court. When the ball was put in play, it was stolen away and thrown down to Mac who was fouled in his scoring attempt and then scored the two foul shots alloted him to give St. Francis a 52-51 margin and a great victory.

The nine game victory skein of the Franciscan hoopsters ended when Loughlin handed them their first defeat of the season to the tune of 48-43. St. Michael's added another defeat to the Terrier record (after the Prep's comeback victory over Holy Trinity) when they outclassed the Prep quintet 54-44, in the final game of the season, necessitating a playoff.

St. Francis Prep was dethroned as Brooklyn Champs when St. Michael's won out in the playoff game, 55-53, and as City Champs when St. Ann's scored a 41-39 victory. The St. Ann's encounter saw the Prep outplay and outscore the Manhattanites throughout the game, leading in every quarter. Led in its scoring attack by Dick Duckett, who was performing in a varsity role for only the third time, the Red and Blue forces were submerged in the closing minutes of the fray and thereby dethroned as City Champs.

The Prep also lost possession of the Bishop Thomas E. Molloy Trophy when Holy Trinity upset the Terriers in the Knights of Columbus Tourney in the first round with a 43-39 score.

As an afterthought, the season was definitely a successful one. That is, when you consider the fact that it is not easy for a team and a coach to understand each other as quickly and as easily as this year's outfit did when Keegan came to the Prep as the new basketball coach. Keegan continued to keep the Terriers operating in winning ways even after he had been strongly affected by the loss of his key operatives in mid-season. The lack of these men, however, was felt when the pressure became stronger. The squad which replaced them took the pressure through much of the rough tide but were taken under by one great wave. With the return of a number of the great performers of this year, supplemented by many of the luminaries who led the Jay-Vee to the Brooklyn Championship, Keegan, great as he was this year under many obstacles, will be coaching a squad next year that seems a sure bet to return St. Francis to the top!!!

BILL DONOVAN Coach

The Junior Varsity

THE Junior Varsity, under the able guidance of Coach "Chick" Keegan, came through a victorious season. It boasts of fifteen wins and one loss and that to Bishop Loughlin by six points. Captain Leo Keegan, Dick Duckett, John Prenderville, John Powers and Ed Aquilone were main contenders for high scoring honors and helped to drive home the victory. When Dick Duckett and John Prenderville stepped up to varsity, able replacements were found in Bob Goeller and Bill Guthy, who is a veteran from last year.

Teamwork, which highlighted every game, enabled them to secure second place for the entire city, losing to All Hallows in the final contest for the Championship. The needed height was supplied by John Prenderville and John Powers who will be assets to next year's varsity.

The record speaks for itself; next year's varsity picture will be brightened by the height and teamwork of this winning combination.

Frosh

THE beaming smiles show the "Pups" are quite happy over their recent successes. Suffering only two defeats at the hands of St. John's and St. Augustine's the "Pups" finished a great season with ten victories. Under the competent hand of Coach Bill Donovan, the frosh were trained in all the intricacies of a good floor game and sharpshooting from all points of the court.

Captained by Ray McLoughlin who, with Tom Ahern, led in scoring honors, the "Pups" gave evidence of bolstering next year's J. V.

Track

THE '48-'49 season was Brother Timothy's second as track coach of the Terrier winged feet. When the Cross-Country squad reported in September, Brother was faced with the task of molding a squad greatly riddled by graduation. In fact, the only veteran of the '47 hill-and-dale season was Gus Raspitha, later elected captain. In spite of this handicap the squad, digging all the way, made an indelible impression on the track enthusiasts of the Metropolitan area.

Winning three medals during the campaign, Raspitha led the team of Jim McDonough, Bill Donovan, Tom Lynch, Tom Madden, John Goehler, Tom McCarthy, and Charlie McPartlin. Running on the Jayvee team were John Hickey, George Clough, Jim Christie, John Amberry, John Wrafter, Artie Doris and Jim OBrien

Indoors

Although our track team at the Prep is small compared to teams of other schools, the boys gave a good account of themselves in all the meets.

With the material on hand, Brother Timothy developed a fine 880 yard relay team consisting of Lynch, Clough, Von Essen, and O'Connor. In the Bronx Interscholastic Meet they took second place honors out of a field of forty-eight teams.

Three of the outstanding prospects for the outdoor season are Jim McDonough, Gus Raspitha, and Jim Myles. McDonough took fifth place honors in the C. H. S. A. A. meet in Madison Square Garden by beating his closest rival by twenty yards. Myles scored in two indoor meets and is expected to improve with the outdoor season.

Brother Timothy and his assistant coach, Brother Anthelm, anxiously look forward to the outdoor season with the prospect of a medal winning combine.

CROSS-COUNTRY

ST. FRANCIS' freshman track team is the foundation of a future champion. During he cross-country season, the frosh squad urprised everyone. The team was coached urprised everyone. The team was coached y Rev. Brother Anthelm, O.S.F.; medalists vere Joe Rorke, who ran with the varsity in he Seton Hall meet, and George Bennett, oth of whom gained their awards in the JHSAA meet. Cast in supporting roles were ill Nigro, Roy Francis, Jim Herson, Art tuchbury, Dick Lightcap and Tom Higgins.

INDOORS

HE frosh board squad also showed great promise. A pair of sprinters, Sal Astarita d Tom McDonald, won medals in the ISAA meet. Joe Rorke, a distance runner, d a relay team of Snyder, Breslin, Lynn and cDonald, are potential winners. A large mber of first-year men were added for the ming outdoor season, and the outlook for e future is bright.

THE annual A. A. P. S. Handball Tournament for 1949 took place during May in Central Park. High hopes were placed on the team which boasted of a hard working squad but lacked veteran power.

Representing the Varsity in the Doubles competition were: John Tortorice and Dick Nolan on the first team, Wally Buck and Jack Battel on the second team, with the third doubles made up of Bob Koehler and Dick Surridge. In the Singles department, Bill Ayres, Jim Barrett and Andy VonEssen did the major chores.

Charlie Smith, Ed Nolan, George Genonese, Bill Schumacher, Bill Hargrove, John O'Brien and John Mulvahill comprised the J. V. squad and allayed the fears of Brother Terrence, O.S.F., the moderator, for the next season.

Brother Terrence's time and energy was well rewarded by the enthusiasm of his club. Long workouts at Red Hook Stadium plus an entire "away" season taxed the men, but with real Franciscan spirit they saw the season through.

Volleyball

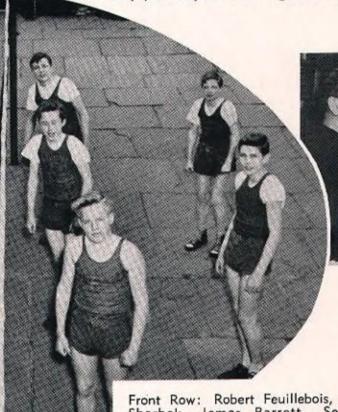

ON April 5th, 7th and 8th of this year the St. Francis Prep Volleyball team played in the eighth annual tournament sponsored by the Athletic Association of Private Schools. Mr. Raymond Kraft again coached the team, as he did for the last four years. Mr. Kraft has an able record: the first year at the helm his team placed second in the Tournament and in his second, his Varsity team came in first. In 1948 the score was tied in the first contest of the Tournament when a sudden death play-off forced Mr. Kraft's team into second place.

This year the Varsity repeated with a straight win over all comers to capture again first place in the championships. Captained by Joe Repice, the Varsity squad won two straight games against each team, never having to play the

Hockey

ST. FRANCIS PREP was the only high school in New York City to include hockey on its sports agenda during the past year. The Terrier pucksters, considered as City Champs because they were the "greatest" (only) team in Gotham, found it impossible to book games in the Metropolitan area, and therefore were able to play only two games, one their annual combat with the West Point Plebes and the other with Peddie Institute of Highstown, N. J.

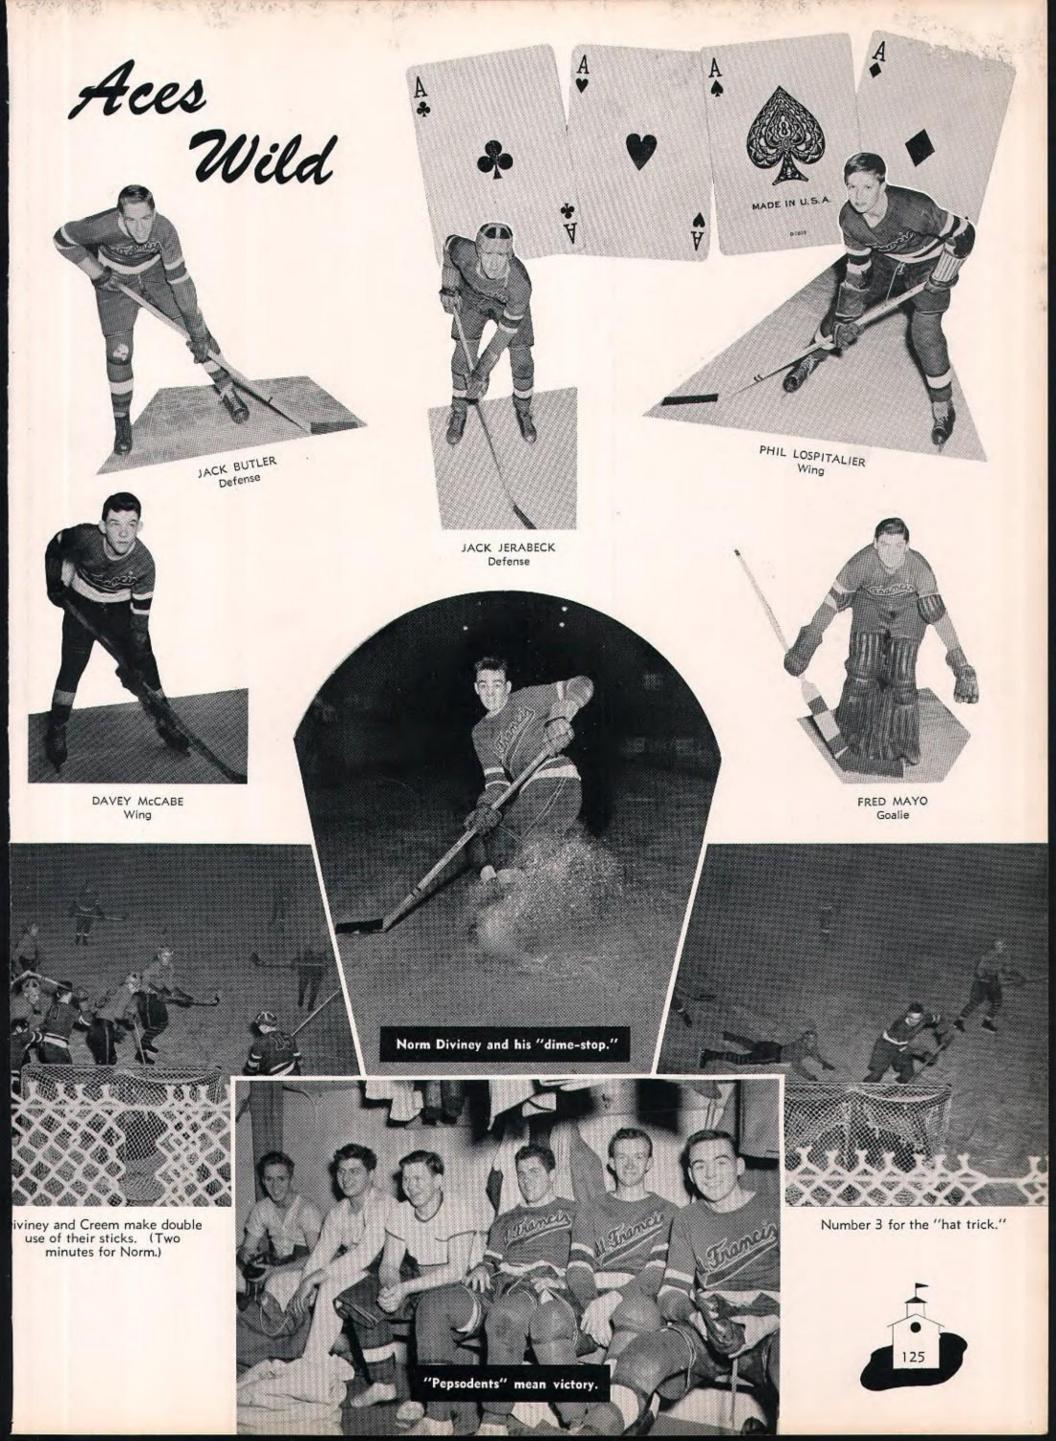

The Red and Blue puck chasers were ably captained by Jack Foge and Norm Diviney, who also led the team in scoring. Norman scored four goals and assisted in four others. Phil Lospitalier ran a close second in scoring with four goals and one assist.

Boasting an undefeated record at West Point during past years, the Terriers met a determined Plebe team which refused to lose and in a nip and tuck battle, the Cadets won out 6-5. Phil Lospitalier was the luminary of the game with two goals while Jack Butler, Davey McCabe, and Norm Diviney, who played his usual great game, hit for one goal apiece.

Princeton University was the scene of the combat with Peddie. Showing extensive hockey ability and scoring punch, Roger Egan's forces soared to a 6-2 victory. Diviney, closing out his great scholastic hockey career, tallied for three goals, assisted in three more and played a while of a game all-around. Danny Gillen was the initial scorer of the game and Phil Lospitalier made two of the half dozen goals.

Along with the Co-Captains, Diviney (center) and Foge (goalie), the Prep sextet included Jack Butler and Jack Jerabeck on defense, while Lospitalier held one wing spot and Tom Creem, the other. The reserves, who were very active and proved to have what it takes, were Dave McCabe and Dan Gillen. Fred Mayo and Kevin Charles, both understudies to Jack Foge as goalies, and Jim Brennan added extra strength to the team with Charles showing great promise for the cage-keeper's job next year. Ken Smith, Jim Mulligan and Chuck Beyrer, together with Don Moten, who broke his leg just as the season opened, promise to be of great help to Roger Egan's plans for next season.

In conclusion it can be said that Roger Egan did a great job as hockey coach. In his first try at mentoring the ice sport Rog produced a great outfit and certainly one characteristic of his own attitude towards sports, a fighting determination and the will to win. Also deserving of a hearty handshake is Jack Capper, who became a member of the three sport club by taking up the chores of hockey manager.

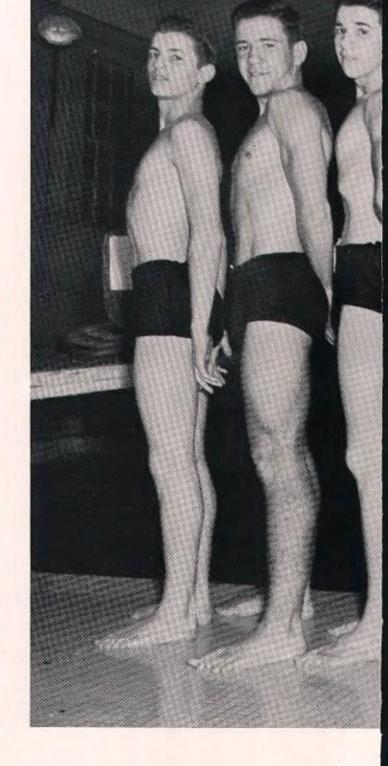

SWIMMING has always enjoyed a unique position among the Prep's sports as the School trophy case well attests. And it is the long range planning of Coach Tom Booras and the sport's moderator, Brother Louis, O.S.F., that has accounted for the many trophies, medals and championships that St. Francis teams have won. This year's squads have gained their share. Bob Koehler, co-captain of the mermen, is the Catholic Schools' State Champion back stroker which title he won in the C. H. S. A. A. finals at the New York A. C. In the same meet the Varsity Medley team of Koehler, co-captain Dick Nolan and Ed Christman took fourth place, while Ed Strauss came in fifth in the one hundred yards freestyle, and Gerry Wassel sixth in fancy diving.

In the A. A. R. S. finals Bob Koehler repeated with a third in the one hundred yards backstroke, and in the National Catholic meet at La Salle College in Philadelphia, he was sixth of thirty-two entries.

In the Novice Championships, Dick Nolan, George Amberry and John Heinlein plaed one, two, three in the two hundred twenty yards freestyle, with Don Walters copping fifth place to clinch the event overwhelmingly. In the same meet, the Medley team of Bob Waegland, Ed Christman and Dick Nolan took second place, while Ed Hunter captured a second in the one hundred yards freestyle.

In the C. H. S. A. A. Frosh Championship, the St. Francis Pups showed great promise and proved Coach Booras' faith in them by placing second. In this meet, first places went to Dave McCabe in the breaststroke, Bob Waegland in the backstroke, and the Medley team, composed of Waegland, McCabe and John Murphy. The relay team took second place honors as Ed Hunter, Don Waters, Heinlein and Murphy churned through in good time. Ed hunter took another second in the one hundred yards freestyle.

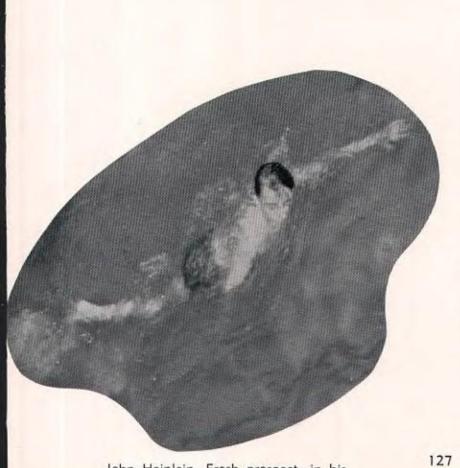

Coach Tom Booras outlines plans for coming meet with co-captains Dick Nolan (left) and Bob Koehler (right).

7errier Nine

THE baseball season opened with "Chick" Keegan and his "original nine" facing a formidable task in sifting the wheat from the chaff in handling many new candidates. As the new coach of the Terrier nine, "Chick" had only nine returning veterans from which to build his team. In molding his squad, "Chick" found many of his new candidates proving themselves as worthy of starting assignments. Coach Keegan made proper use of all his diamondeers in such a way as to provide great opposition for the Red and Blue opponents and begin the needed job of rebuilding. The starting nine contained many players who had never played before in scholastic competition. These novices found it tough sledding under pressure but proved to be strong in heart and ability, giving ample proof that with a year's experience the diamondeers will prove to be stronger and better in the 1950 campaign.

Mr. Keegan had Jack Butler, outstanding veteran of the squad, as cleanup hitter preceded by Bill Nigro, Ralph Brescia and Dick Duckett in that order. Butler and Duckett proved to be the power hitters of the squad with Nigro (a freshman) and Brescia adding the extra punch needed to collect.

Co-Captains Dick Witt and John Joyce were the outstanding hurlers for the Red and Blue with southpaw ace Tony Hoffman filling out the mound staff. Witt, ace fire-baller and Joyce, with more "stuff" than a Christmas stocking, were outstanding in every one of their performances.

In the infield there was Bill Nigro at the initial sack, Norm Diviney and Ralph Brescia, the double-play combine, and Dick Duckett at the hot-corner. Other infielders included Fred Powers, Bill Heaviside, Vinny Esposito and Phil Lospitalier.

Manning the tools behind the plate was huck Beyrer Lack Butler doubled as an outfielder and utility catcher while Joe Repice, another outfielder, saw action as utility first baseman. The picket patrol was reinforced by Harry Beaton, Don Moten, Bob Schaefer and Jack Doyle.

Coach Keegan has done an excellent job as coach and has to be thanked together with Brother Roger, O.S.F. for the time and energy given to building a stronger squad. With the return of many veterans the Prep will meet the foe next year steeped deep in talent and experience. With their caps set for the pennant, the team, with that student support to spur them on, should enjoy many a successful inning next

When you come to the end of a perfect day, you sit alone with your thoughts. As we come to the end of a perfect book and we sit en masse with our sighs, we think of those whose help we've enjoyed and seek a way to repay.

We of the graduating class and you, the underclassmen, owe a debt of thanks

. . . to Mr. Roger Egan who has spent so much extra time in the "Tower Room" that the staff wondered whether he was setting up light house-keeping;

. . . to Brother Anthelm who has spent many a night on black coffee to keep awake while processing our photographic work;

. . . to Messers Tom Booras, Theodore Elinghaus and Lawrence Towers who have persevered in the fund raising campaign and have emerged victorious;

. . . to Johnny Kirk who jeopardized his college "A's" in order to produce a quantity of "pixs" with quality;

. . . to Frank and Fred Ball whose personal attention to our technical problems was beyond the "call of duty";

. . . to New City Printing Company who suffered the flings and arrows of our ever changing layouts;

. . . to Bonné Studios who fulfilled our major photographic needs in their own incomparable manner;

. . . to the New York Journal-American who granted permission for the use of a cut on page 72.

To these we can only show our gratitude by kind words and pledges of future cooperation. But you, the underclassmen, can do more for others who have helped us. In short, patronize our advertisers! They have helped in the success of your yearbook; you can help in the success of their business.
